ASPIRE ENJOY ACHIEVE

March 2024

Dear Applicant,

ASSISTANT HEAD OF HISTORY - MPR/UPR + TLR 2B

Leadership positions come up rarely at Soar Valley and this post represents an excellent opportunity to join one of our highly successful departments and contribute to its continued development. History is a popular subject choice at Key Stage 4, and outcomes are consistently very strong, a consequence of having an excellent team!

The team is a stable one, with a great deal of experience and expertise, and benefits from very strong leadership. This position of Assistant Head of Department is a key one for us, and we are looking for an excellent teacher with ideas and approaches to complement and further enhance current provision. The present postholder has a focus on Key Stage 4, but this is certainly not fixed, and responsibilities can be negotiated with the successful candidate. There is a further leadership responsibility within the team also. Professional development is a strength and anyone joining us would be extremely well supported and developed at whatever stage of your career you are, both at departmental and whole school levels.

As a school, we believe we have a unique ethos. We are a very cohesive team, and are genuinely very inclusive. We value effort above all else with students; all can achieve, and they do! The staff work very effectively together and achieve excellent outcomes for our students, of which we are very proud. Even more pleasing though, are the superb relationships we have in the school, between all, which make it a great place to work, and an excellent place to begin or continue your career.

Plenty of further information in respect of this vacancy and the school can be found on our website, which will assist you in completing your application, including the links to application sites, job description, and details about the department. I hope you find this of interest and look forward to receiving completed application forms by 9am Friday 22 March 2024 returned to me via the relevant platforms, TES or eteach.

Should you have any queries, please do get in touch with me at jrobinson@soarvalley.aspirelp.uk

Once again thank you for showing an interest in the post and I very much look forward to receiving and reading your application.

Yours faithfully

Julie Robinson

ASPIRE ENJOY ACHIEVE

Soar Valley College – General Information

We are justifiably proud of our school, in particular the caring, inclusive ethos, our high standards and our achievements. Our school motto of 'Aspire, Enjoy, Achieve' is more than just words. It really does sum up our ethos; that of working with every individual to ensure they do the best they possibly can in a supportive environment rich with opportunities. More on this can be read in our prospectus, which is available on the school website www.soarvalley.leicester.sch.uk

We are an outstanding 11-16 community, comprehensive school in the city of Leicester with approximately 1560 students on roll currently, and are heavily over-subscribed every year with more first choice applications than places available, despite increasing our PAN from 255 to 312. Students come from very diverse ethnic, cultural and religious backgrounds, which contributes to our unique ethos, with the vast majority (around 90%) coming from ethnic minority backgrounds. Most of our students have a first language which is not English and approximately a third qualify as Pupil Premium.

As part of the first wave of the BSF programme in Leicester, we moved to a new building in 2009. Our highly impressive school building offers excellent accommodation and facilities for all areas of the curriculum and the local community. We also have our own Training Centre, which is used as our Trust base as well as for a wide range of CPD activities, and has proved to be extremely successful.

"A distinct feature of the college's culture in creating a very purposeful environment for learning is the excellent relationships between the teachers and the students. One student summarized the feeling of others: 'It's not just the teachers, it's all the staff.' Students feel that the staff make time and get to know them very well." (Ofsted)

Achievement is impressive. When students start with us, their prior attainment is below or at national averages. However, outcomes at the end of Key Stage 4 are significantly above national averages. Both attainment and progress measures are very strong. A Progress 8 figure of +0.7 in both 2023 and 2022 puts us amongst the best schools in the country, with our disadvantaged students also performing well above the standards for all children nationally.

Attendance is also excellent, in the top 10% of schools nationally, when compared to similar schools and all schools, and amongst the very best in the city of Leicester. The vast majority of our students, round 97%, go on to Further Education or training, mainly at local sixth form colleges.

Our most important asset is our staff. We invest in making sure staff are well-developed and supported, with CPD being a key feature of our work. There is a multi-faceted programme for staff at various stages of their career and to meet particular needs. Every new member of teaching staff, regardless of experience and responsibility, is allocated a Teaching and Learning Coach for at least the first term, an experienced Soar Valley teacher with whom they can discuss and reflect on teaching strengths and areas for development, a strategy which has proved very popular and developmental.

We have taken several measures to reduce workload for staff, and feedback is always positive. A copy of the Wellbeing Charter compiled by staff is included in this pack.

Many of our staff have been promoted internally, often in competition with an external field, and this is a reflection of both the fact they wish to stay and of the development they receive.

“Teaching is exemplary. Almost all curriculum areas have examples of outstanding teaching. Teachers have very high expectations and they use imaginative activities in order to ensure students make substantial progress.” (Ofsted)

Another significant strength of Soar Valley, of which we are very proud, is the range and quality of the extra – curricular activities that staff offer. Opportunities are too numerous to mention here but we have, for example, a thriving Duke of Edinburgh programme, an extensive sports programme and are also very active within performing arts. Trips and visits are numerous. We are proud of the fact that we were the first school in the county to gain the Quality in Study Support Award at each level which recognises this outstanding provision. We have very strong links with our feeder primary schools through both curricular and extra-curricular activities.

“Students are proud to belong to the college. They demonstrate outstanding behaviour and attitudes to their learning. There is a great level of maturity and respect towards all learning. Students’ tolerance for each other and their ability to listen are excellent.” (Ofsted)

We also have a wide range of activities on site in the evenings and at weekends that benefit the wider community. The school is open until 10pm most evenings and at the weekends with the facilities mainly booked for sporting activities. A number of events are also held at the college by various faith

communities. Parents are generally very supportive of the school and the benefits that it brings for their children, with students making an outstanding contribution to their community.

We have been the 'hub' school for mathematics development across the city for many years, and we hold regular meetings for all heads of department across the city, along with an annual CPD conference. Soar Valley is now also the Hub school for science and for art, a reflection of the high quality leadership across the school and at all levels.

Most secondary and special schools in Leicester belong to the Leicester Education Improvement Partnership (LEIP) which is an alliance of schools in the city to offer support and challenge to each other, and the office for which is situated within our Training Centre. The partnership is very strong and brings a number of distinct benefits to the city and member schools.

"The leadership of teaching is very strong; much of the teaching is outstanding and the vast majority is consistently good." (Ofsted).

Thank you for your interest in our school. We believe it is a unique place, one where staff and students are proud to belong. Please do look at our website and our X page @soarvalley16 to gain more information and a flavour of what we are about. Visits are welcomed; please just contact us.

History Department

The History Department at Soar Valley College is a highly effective team of imaginative and committed teachers who are dedicated to securing excellent learning outcomes for all students. We have striven over the last few years to develop a curriculum which is varied, innovative, and stretches students in their learning and progress. Our efforts have been rewarded and History maintains a high profile subject among students and within the school as a whole. This has been demonstrated through student-voice feedback, the high standard of work produced by the students, the very healthy take-up

at GCSE and the exam success which those students have enjoyed.

History results compare favourably with other schools nationally; in 2023, approximately a third gained grade 7+, 65% gained grade 5+, and 78% gained a grade 4+. For those familiar with SISRA, our SPI was +0.79, which is extremely impressive, especially for such a mixed ability cohort. History remains an optional subject at Key Stage 4, largely because many students choose to take it anyway, and there are five GCSE groups in each of Years 10 and 11.

As a team, we have a strong collaborative approach to teaching and learning. We endeavour to draw upon the full range of expertise and enthusiasm of the team in regular collaborative planning meetings, with decisions made for the best interests of the students and in consultation with all staff.

Our curriculum rationale is founded on chronology, themed study, and disciplinary knowledge, allowing students to identify trends and build on knowledge from previous lessons. We never sit still when it comes to making improvements and are constantly seeking to refine and improve both the curriculum and quality of teaching within the subject. As a result we have an excellent bank of shared resources, for colleagues to personalise, on the school's network. This is inspiring and supportive for both new staff and experienced teachers alike. At Key Stage 4 we follow the AQA specification.

Dedicated classrooms offer excellent opportunities for History teachers to enrich the curriculum. All classrooms have interactive touchscreens with access to other handheld technologies. There is also access to dedicated sets of laptops.

The department is committed to fostering an enjoyment and love of History. We want our students to grow into confident critical thinkers who are able to articulate, through second order concepts, their understanding of the past. Our high expectations of students are rewarded with positive attitudes to learning and excellent behaviour.

In common with other subjects in the school, students' experience is enhanced by a rich diet of extra-curricular activities. The History Department is the only department to offer a whole school trip in each year of Key Stage 3; Year 7 visit Bosworth Battlefield Heritage Centre, Year 8 spend a day at the Black Country Museum whilst Year 9 travel to Duxford Imperial War Museum.

Soar Valley College

Our Staff Wellbeing Charter

Introduction

Our school motto is not just three words, really does mean something, and we believe Soar Valley has a unique ethos.

Aspire – we aim high and expect everyone to do so, students and staff alike. Our mantra of ‘effort is everything’ means all can succeed, and they do. Each child is encouraged to be the best version of themselves, and the same is true of our staff, who are fantastic!

Enjoy – we aim to make the school and work experience as enjoyable as possible. Working in education can be fast-paced and demanding, it is important to have fun too!

Achieve – we are a highly successful school, and that is not all about exam results. Our staff turnover is very low, and there are even those who have come back. All are highly valued; without any one person, the school would not be as effective, we are indeed the sum of our parts.

This means that we take the wellbeing of our staff seriously.

We recognise that staff who are valued are at the heart of the success of the school.

We recognise that excessive hours of work and unrealistic deadlines can be detrimental to staff wellbeing and their effectiveness and, ultimately, to the outcomes for the children in our care.

In light of this, leaders will:

- Be mindful of and encourage a healthy work-life balance for all staff.
- Actively look to develop and adopt efficient and effective working strategies.
- Acknowledge that the needs of the school and its staff are not static but change over time.
- Seek the views of staff on their working life on a regular basis, through both formal and informal methods.
- Respond sensitively to external pressures which affect the lives of staff members.
- Consider all new developments and filter those which will impact positively on our school and implement them in a measured way.
- Consider the effects of any new initiative on workload, considering and balancing impact on workload carefully.
- Regularly review and if an initiative/change is not having a reasonable impact, it will be removed.
- Make staff members aware of the channels which can be used to manage and deal with stress or work related health and wellbeing issues.
- Ensure an effective professional development programme for all, to ensure staff are developed in their roles and achieve a sense of satisfaction.
- Be open and receptive to feedback about policies and developments and their impact on staff wellbeing and workload.

All staff will:

- Assist in the development of good practice and ensure they do not, through their actions or omissions, create unnecessary work for themselves or colleagues.
- Ask for support as and when required.
- Identify opportunities for development and take advantage of those offered by the school.
- Apply for any requests for absence in advance and be open about sickness absence.
- Share their views, ideas and feelings in both formal and informal settings.
- Make sure that all feel supported and welcome, offering support as appropriate for each other.

Some of the strategic measures to support staff wellbeing

The focus on staff wellbeing and workload is not a new one for Soar Valley. There are a number of strategic measures which have been taken to support all staff over the past few years. The list below is not an exhaustive one but illustrates the approach.

- All teachers have a minimum of 14% non-contact time, with additional time for those with leadership responsibilities.
- There have been no written reports at Soar Valley since 2005. A review was undertaken and a simple data collection system implemented.
- There are three formal data collection points and reports home to parents during the year, one per term.
- A structured CPD programme is in place, being reviewed and revised each year to meet the needs of both the school and individuals. There is also a strong induction programme for new staff and development programmes for both newly qualified and recently qualified teachers.
- An extensive CPD library is available for staff, another opportunity to supplement professional development of staff.
- There are regular briefings for staff, both teaching and support staff, so all can remain informed and involved in developments and news in the school.
- Meetings are carefully planned to meet professional development and college improvement priorities, with only one meeting a week for most members of staff. Every effort is made to start them promptly and ensure they do not overrun.
- Considerable investment in the pastoral and inclusion teams has led to strong support in these areas with high quality staff and effective structures.
- The high quality SEND team, with well-qualified and trained teaching assistants, means detailed and supportive strategies and information are always available.
- Investment in a small but high quality EAL team means those students with the highest level of need can receive targeted intervention until they are able to access the curriculum.
- Policies and procedures, which have been introduced for behaviour management, are clear and effective. The Step system means that any student behaving inappropriately is removed from the lesson.
- Centralised detention systems support staff in ensuring high standards of behaviour.
- Much of our policy is written by staff, either through working parties or middle leader groups. Examples are the assessment policy, homework policy, marking policy, all of which have been written by staff and for staff. Where not directly written by staff, they are fully consulted in any new/amended policy through our meeting structure.
- Subject teams have a high level of autonomy to teach and structure in the way they think best. There will always be challenge to improve, and indeed often do so themselves!
- Staffing levels are high, with additional groups in many subject areas, especially at key stage 4. Class sizes at key stage 3 have been kept to an average of 26 or lower.
- There is administrative support for each department in school, as well as a full complement of technical support staff.
- The rarely cover policy means that teachers will only provide cover for absent colleagues if they are timetabled for a 'support lesson'. We employ three Cover Supervisors so that students have known cover staff, which also leads to calmer lessons.
- We have created a culture of mutual respect amongst the staff, and there are positive working relationships across the school. Support and teaching staff are all vital in the success of the school.

- Communication is open and transparent. We ensure emails are useful and endeavour to make the number sent and received manageable.

And some of the ‘nice to haves’

Sometimes the little things really matter, and whilst not strategic in nature, these are examples of some such things at Soar Valley:

- Samosas – we love our samosas, which appear for birthdays, other celebrations and thank yous.
- The Unicorn of Appreciation comes out about once a term, for staff to recognise others, just say thank you or well done.
- Staff sport is a regular feature on a Friday, allowing the sporty amongst us to work off the week.
- There are outdoor areas where staff can relax in summer months which are not accessible to students, such as the allotments and memorial garden.
- There are occasional staff workshops (such as making pottery decorations at Christmas).
- Free flu jabs are offered each year for staff.
- Lunch is always provided on training days and food is available prior to parents’ evenings.
- Our Christmas lunch at the end of the autumn term is an annual event.
- Tea and coffee are always freely available for staff and visitors in the main staffroom.
- We party impressively at the end of terms, and there are various other social events.
