May 2024

Dear Applicant,

**ATTENDANCE IMPROVEMENT OFFICER**

Thank you for your interest in the above vacancy at Soar Valley College. This is a new role in our structure and provides an exciting opportunity for the successful candidate to make it their own. We seek someone with the drive, passion and skills to raise our already high levels of attendance.

Whilst Soar Valley already has excellent levels of attendance, we are never complacent. Obviously students have to be at school in order to succeed, and this role will support students, particularly those experiencing challenges and barriers, engaging them in school. The successful candidate will be the key worker for targeted families and individuals and also focus on making sure attendance levels are excellent across all year groups. The Attendance Improvement Officer will work closely with the school's superb pastoral team on an operational basis, and also support the senior team to develop and deploy strategies to quickly address attendance concerns of students.

Soar Valley is an Outstanding school, heavily oversubscribed and a school of choice for students, parents and staff. We are proud to be 'Soar Valley'. As a school we believe we have a unique ethos. We are a very cohesive team and are genuinely very inclusive. We value effort above all else with students; all can achieve, and they do! The staff work very effectively together and achieve excellent outcomes for our students, of which we are very proud. Even more pleasing though, are the superb relationships we have in the school, between all, which make it a great place to work. We have lots of staff who have stayed here a long time and even some who have returned to us, an indication of the very positive 'feel' of the school.

Plenty of further information in respect of this vacancy and the school can be found on our website. I do hope you find this of interest and look forward to receiving completed application forms by Friday 7 June 2024, returned via the appropriate platform (Eteach/TES).

If you would like any further information regarding the post or wish to arrange a visit, please do not hesitate to contact our Personnel Manager, Smita Stone, either by email on [sstone@soarvalley.aspirelp.uk](mailto:sstone@soarvalley.aspirelp.uk) or phone 0116 2688441. Once again thank you for showing an interest in the post and I look forward to receiving and reading your application.

Yours faithfully

Julie Robinson

## Soar Valley College – General Information

We are justifiably proud of our school, in particular the caring, inclusive ethos, our high standards and our achievements. Our school motto of 'Aspire, Enjoy, Achieve' is more than just words. It really does sum up our ethos; that of working with every individual to ensure they do the best they possibly can in a supportive environment rich with opportunities. More on this can be read in our prospectus, which is available on the school website [www.soarvalley.leicester.sch.uk](http://www.soarvalley.leicester.sch.uk)

We are an outstanding 11-16 community, comprehensive school in the city of Leicester with approximately 1560 students on roll currently, and are heavily over-subscribed every year with more first choice applications than places available, despite increasing our PAN from 255 to 312. Students come from very diverse ethnic, cultural and religious backgrounds, which contributes to our unique ethos, with the vast majority (around 90%) coming from ethnic minority backgrounds. Most of our students have a first language which is not English and approximately a third qualify as Pupil Premium.

As part of the first wave of the BSF programme in Leicester, we moved to a new building in 2009. Our highly impressive school building offers excellent accommodation and facilities for all areas of the curriculum and the local community. We also have our own Training Centre, which is used as our Trust base as well as for a wide range of CPD activities, and has proved to be extremely successful.

*"A distinct feature of the college's culture in creating a very purposeful environment for learning is the excellent relationships between the teachers and the students. One student summarized the feeling of others: 'It's not just the teachers, it's all the staff.' Students feel that the staff make time and get to know them very well." (Ofsted)*

Achievement is impressive. When students start with us, their prior attainment is below or at national averages. However, outcomes at the end of Key Stage 4 are significantly above national averages. Both attainment and progress measures are very strong. A Progress 8 figure of +0.7 in both 2023 and 2022 puts us amongst the best schools in the country, with our disadvantaged students also performing well above the standards for all children nationally.

Attendance is also excellent, in the top 10% of schools nationally, when compared to similar schools and all schools, and amongst the very best in the city of Leicester. The vast majority of our students, round 97%, go on to Further Education or training, mainly at local sixth form colleges.

Our most important asset is our staff. We invest in making sure staff are well-developed and supported, with CPD being a key feature of our work. There is a multi-faceted programme for staff at various stages of their career and to meet particular needs. Every new member of teaching staff, regardless of experience and responsibility, is allocated a Teaching and Learning Coach for at least the first term, an experienced Soar Valley teacher with whom they can discuss and reflect on teaching strengths and areas for development, a strategy which has proved very popular and developmental.

We have taken several measures to reduce workload for staff, and feedback is always positive. A copy of the Wellbeing Charter compiled by staff is included in this pack.

Many of our staff have been promoted internally, often in competition with an external field, and this is a reflection of both the fact they wish to stay and of the development they receive.

*“Teaching is exemplary. Almost all curriculum areas have examples of outstanding teaching. Teachers have very high expectations and they use imaginative activities in order to ensure students make substantial progress.” (Ofsted)*

Another significant strength of Soar Valley, of which we are very proud, is the range and quality of the extra – curricular activities that staff offer. Opportunities are too numerous to mention here but we have, for example, a thriving Duke of Edinburgh programme, an extensive sports programme and are also very active within performing arts. Trips and visits are numerous. We are proud of the fact that we were the first school in the county to gain the Quality in Study Support Award at each level which recognises this outstanding provision. We have very strong links with our feeder primary schools through both curricular and extra-curricular activities.

*“Students are proud to belong to the college. They demonstrate outstanding behaviour and attitudes to their learning. There is a great level of maturity and respect towards all learning. Students’ tolerance for each other and their ability to listen are excellent.” (Ofsted)*

We also have a wide range of activities on site in the evenings and at weekends that benefit the wider community. The school is open until 10pm most evenings and at the weekends with the facilities mainly booked for sporting activities. A number of events are also held at the college by various faith communities. Parents are generally very supportive of the school and the benefits that it brings for their children, with students making an outstanding contribution to their community.

We have been the 'hub' school for mathematics development across the city for many years, and we hold regular meetings for all heads of department across the city, along with an annual CPD conference. Soar Valley is now also the Hub school for science and for art, a reflection of the high quality leadership across the school and at all levels.

Most secondary and special schools in Leicester belong to the Leicester Education Improvement Partnership (LEIP) which is an alliance of schools in the city to offer support and challenge to each other, and the office for which is situated within our Training Centre. The partnership is very strong and brings a number of distinct benefits to the city and member schools.

*"The leadership of teaching is very strong; much of the teaching is outstanding and the vast majority is consistently good." (Ofsted).*

Thank you for your interest in our school. We believe it is a unique place, one where staff and students are proud to belong. Please do look at our website and our X page @soarvalley16 to gain more information and a flavour of what we are about. Visits are welcomed; please just contact us.

# Soar Valley College

## Our Staff Wellbeing Charter

### Introduction

*Our school motto is not just three words, really does mean something, and we believe Soar Valley has a unique ethos.*

*Aspire – we aim high and expect everyone to do so, students and staff alike. Our mantra of ‘effort is everything’ means all can succeed, and they do. Each child is encouraged to be the best version of themselves, and the same is true of our staff, who are fantastic!*

*Enjoy – we aim to make the school and work experience as enjoyable as possible. Working in education can be fast-paced and demanding, it is important to have fun too!*

*Achieve – we are a highly successful school, and that is not all about exam results. Our staff turnover is very low, and there are even those who have come back. All are highly valued; without any one person, the school would not be as effective, we are indeed the sum of our parts.*

*This means that we take the wellbeing of our staff seriously.*

*We recognise that staff who are valued are at the heart of the success of the school.*

*We recognise that excessive hours of work and unrealistic deadlines can be detrimental to staff wellbeing and their effectiveness and, ultimately, to the outcomes for the children in our care.*

### In light of this, leaders will:

- Be mindful of and encourage a healthy work-life balance for all staff.
- Actively look to develop and adopt efficient and effective working strategies.
- Acknowledge that the needs of the school and its staff are not static but change over time.
- Seek the views of staff on their working life on a regular basis, through both formal and informal methods.
- Respond sensitively to external pressures which affect the lives of staff members.
- Consider all new developments and filter those which will impact positively on our school and implement them in a measured way.
- Consider the effects of any new initiative on workload, considering and balancing impact on workload carefully.
- Regularly review and if an initiative/change is not having a reasonable impact, it will be removed.
- Make staff members aware of the channels which can be used to manage and deal with stress or work related health and wellbeing issues.
- Ensure an effective professional development programme for all, to ensure staff are developed in their roles and achieve a sense of satisfaction.
- Be open and receptive to feedback about policies and developments and their impact on staff wellbeing and workload.

**All staff will:**

- Assist in the development of good practice and ensure they do not, through their actions or omissions, create unnecessary work for themselves or colleagues.
- Ask for support as and when required.
- Identify opportunities for development and take advantage of those offered by the school.
- Apply for any requests for absence in advance and be open about sickness absence.
- Share their views, ideas and feelings in both formal and informal settings.
- Make sure that all feel supported and welcome, offering support as appropriate for each other.

**Some of the strategic measures to support staff wellbeing**

The focus on staff wellbeing and workload is not a new one for Soar Valley. There are a number of strategic measures which have been taken to support all staff over the past few years. The list below is not an exhaustive one but illustrates the approach.

- All teachers have a minimum of 14% non-contact time, with additional time for those with leadership responsibilities.
- There have been no written reports at Soar Valley since 2005. A review was undertaken and a simple data collection system implemented.
- There are three formal data collection points and reports home to parents during the year, one per term.
- A structured CPD programme is in place, being reviewed and revised each year to meet the needs of both the school and individuals. There is also a strong induction programme for new staff and development programmes for both newly qualified and recently qualified teachers.
- An extensive CPD library is available for staff, another opportunity to supplement professional development of staff.
- There are regular briefings for staff, both teaching and support staff, so all can remain informed and involved in developments and news in the school.
- Meetings are carefully planned to meet professional development and college improvement priorities, with only one meeting a week for most members of staff. Every effort is made to start them promptly and ensure they do not overrun.
- Considerable investment in the pastoral and inclusion teams has led to strong support in these areas with high quality staff and effective structures.
- The high quality SEND team, with well-qualified and trained teaching assistants, means detailed and supportive strategies and information are always available.
- Investment in a small but high quality EAL team means those students with the highest level of need can receive targeted intervention until they are able to access the curriculum.
- Policies and procedures, which have been introduced for behaviour management, are clear and effective. The Step system means that any student behaving inappropriately is removed from the lesson.
- Centralised detention systems support staff in ensuring high standards of behaviour.
- Much of our policy is written by staff, either through working parties or middle leader groups. Examples are the assessment policy, homework policy, marking policy, all of which have been written by staff and for staff. Where not directly written by staff, they are fully consulted in any new/amended policy through our meeting structure.
- Subject teams have a high level of autonomy to teach and structure in the way they think best. There will always be challenge to improve, and indeed often do so themselves!
- Staffing levels are high, with additional groups in many subject areas, especially at key stage 4. Class sizes at key stage 3 have been kept to an average of 26 or lower.
- There is administrative support for each department in school, as well as a full complement of technical support staff.
- The rarely cover policy means that teachers will only provide cover for absent colleagues if they are timetabled for a 'support lesson'. We employ three Cover Supervisors so that students have known cover staff, which also leads to calmer lessons.
- We have created a culture of mutual respect amongst the staff, and there are positive working relationships across the school. Support and teaching staff are all vital in the success of the school.

- Communication is open and transparent. We ensure emails are useful and endeavour to make the number sent and received manageable.

### **And some of the 'nice to haves'**

Sometimes the little things really matter, and whilst not strategic in nature, these are examples of some such things at Soar Valley:

- Samosas – we love our samosas, which appear for birthdays, other celebrations and thank yous.
- The Unicorn of Appreciation comes out about once a term, for staff to recognise others, just say thank you or well done.
- Staff sport is a regular feature on a Friday, allowing the sporty amongst us to work off the week.
- There are outdoor areas where staff can relax in summer months which are not accessible to students, such as the allotments and memorial garden.
- There are occasional staff workshops (such as making pottery decorations at Christmas).
- Free flu jabs are offered each year for staff.
- Lunch is always provided on training days and food is available prior to parents' evenings.
- Our Christmas lunch at the end of the autumn term is an annual event.
- Tea and coffee are always freely available for staff and visitors in the main staffroom.
- We party impressively at the end of terms, and there are various other social events.

All roles within the College are covered by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 and are subject to an enhanced Disclosure and Barring Service (DBS) (formerly Criminal Records Bureau (CRB)) check. If you have just completed full-time education the College will seek references from educational establishments. You will need to provide the name of your Principal or other professional as a reference.
