Year 8 Maths Curriculum Map

Proposed Content for Assessments:

Test 1. Number & Algebra

Test 3. Estimating & length, area and volume

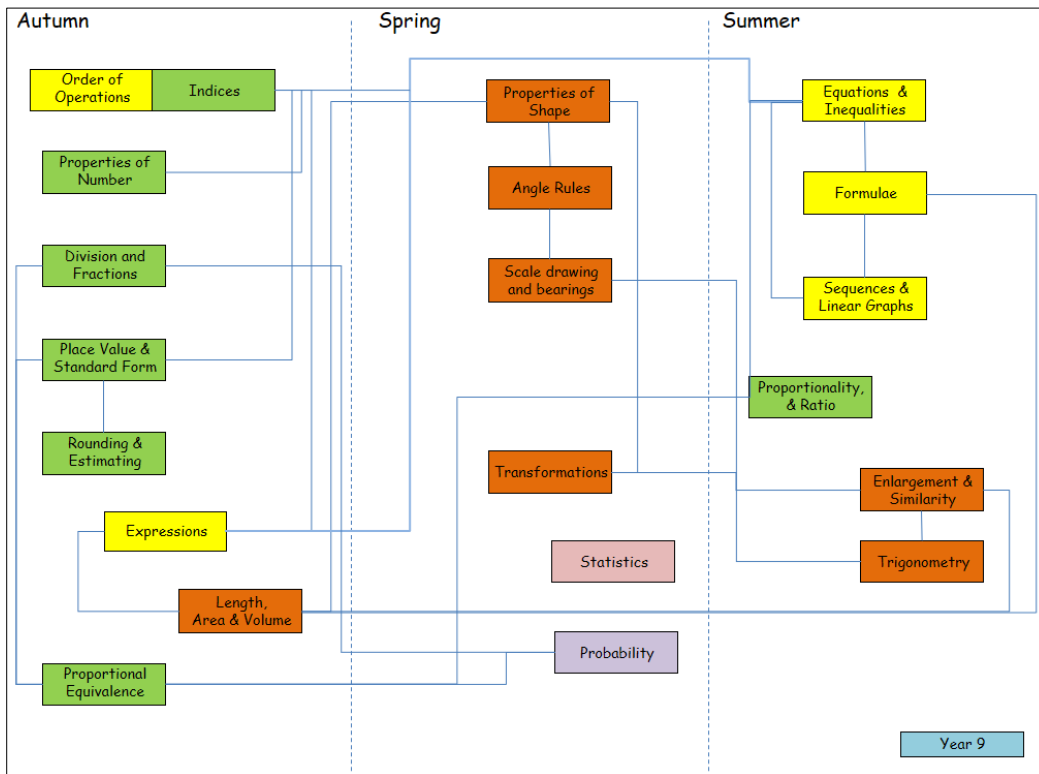

Test 5. Statistics

Test 2. Fractions & Decimals

Test 4. Proportional Equivalence and shape

Test 6. Equations, sequences & graphs

Year 9 Maths Curriculum Map

Assessment:

Four tests ... each test will be a 1 hour paper, either calculator or non-calculator as shown.

Test 3 and 4 together will be used to help decide any set changes for year 10 (as always set changes can take place throughout the year if needed).
